LESLIE MAXEY FOR COUNTY ATTORNEY

In this issue of this paper appears
the announcement of Leslie Maxey
for the office of County Attorney. To
know Mr. Maxey is to love him. He is
a quiet, unassuming, gentleman,
whose private life is clean and above
reproach. He has never before offer-
ed for office, hence has no official
record.

He came to Ada about four years
ago and for three years was associ-

ated with Duke Stone in the practice
of law. When Mr. Stone left Ada, he
became associated in the practice with
Ike King and under the firm name of
King & Maxey. During the time he
has lived in Ada, he has enjoyed a
good practice. He has been associat-
ed with the present county attorney
in the prosecution of several celeb-
rated cases, namely: The Scribner
cases. He has also successfully rep-
resented the defendants in several
hard fought murder cases.

Mr. Maxey is a mild mannered man,
but in a law suit is a fighter from the
word "Go." Faithful to his client
and fair to his adversary. In his deal-
ings, Mr. Maxey is scrupulously hon-
est, both in his private dealings and
as a lawyer.

The office of County Attorney is the
most important in the county. It is
his duty, not only to prosecute crim-
inal cases, but to represent the coun-
ty in all civil matters and is the ad-
viser of the commissioners court and
all county officers. More responsibil-
ity rests upon him than does the en-
tire official family. It is a position
where a dishonest and unscrupulous
man can ruin, not only private in-
dividuals and families, but the entire
county.

Mr. Maxey enjoys the confidence of
all who know him, being an honest
upright citizen and one who would
handle the public business with per-
fect fairness to all concerned.

CHRISTIANS HOLD RECORD BREAKING CONVENTION

The annual state conventions of
the Christian church is to that peo-
ple what the seed time and harvest
is to the farmer. Once a year they
send representatives to give and to
gather inspiration from the sowers
and the reapers of the previous year
looking to greater harvests next year.
And this convention is already the
biggest of their Oklahoma meetings.

The music led by Hackleman last
night was up to the standard of this
leader; it was serious, sober, inspir-
ing and spiritual.

G. Lyle Smith set a standard for
a deep spiritual devotiona service
last night. The Christian church
hangs upon the words of Scripture as
the Oracles of God in a peculiarly
fascinating way, and the Rev. Mr.
Smith read the lesson until it seem-
ed to fasten upon the people.

Convention Address.

The convention was so greatly im-
pressed with the sermon of Mr. Lane
of Oklahoma City that it gave a rous-
ing vote of appreciation. "Co-Laborers
together with God," was the basis of
the sermon.

"No man can work successfully
when he leaves God out of consid-
eration."

"Many regard themselves as an ex-
ception to the rule that man was
born to work."

"Have you never seen a man whose
face, though freckled, was beautiful
to you because of the inward glow
of a great work he had done?"

Mr. Lane startled his hearers a lit-
tle by saying: "The real purpose of
man is to do what God does," and as
he spoke of the possibilities of man to
do this, he said, "The only thing a
man really fails to do is to govern
himself."

"The co-laborer today is not far
removed from the disciples who re-
ceived the loaves and fishes when
they multiplied in the hands of Jes-
us and in turn gave to the multitude.
God has done all that is necessary
a nature and grace, and the bal-
ance lies with man."

Morning Session.

This morning was given to the work
of the C. W. B. M. Reports of the state
officers were received. Pennants were
awarded to several churches for
meritorious work. The president's ad-
dress was based upon Philippians 1:21
same being delivered by Mrs. D. A.
Wickizer of Tulsa. The report of
Miss Alma Evelyn Moore, corres-
ponding secretary of Oklahoma C. W.
B. M. was received enthusiastically.
She reports 49 auxiliaries with a
membership of 1353 in Oklahoma.

A booklet beautifully arranged in
the C. W. B. M. colors containing
the names of friends of Mrs. Mary A.
Lucy for several years state secre-
tary of C. W. B. M. was presented

with a check of \$100.00 for a name
plate memorial in the training school
located in Indianapolis, Ind.

The C. W. B. M. closed its morn-
ing session with committee reports.
The officers for the coming year are
as follows: Corresponding secretary,
Alma Evelyn Moore; Treasurer, Min-
nie Harbaugh; President, Mrs. D. A.
Wickizer.

Prominent Visitors Speak.

Mrs. Ella K. Payne, Lawrence,
Kas., brought a stirring message of
Christ in the redemption and eleva-
tion of woman. She referred eloquent-
ly to womanhood in the days con-
temporaneous with Paul, how they
gloried in those things which society
brands as a stigma today. The place
of woman given by the Christ and oc-
cupied in the church was placed in
rich contrast.

AMENDMENT TO BE VOTED ON IN NOVEMBER

In the rush of other matters it has
almost been forgotten that at the No-
vember election, a question of great
importance to the weaker schools of
the state, especially those of the east
side, will be submitted to the voters.
It is in the form of an amendment to
the constitution and provides that
when the revenues of a school levy-
ing as much as 50c on the \$100 valua-
tion are not sufficient to maintain the
school for at least five months, the
state shall supplement the amount
from the school taxes collected by the
state to an extent that will enable it
to run five months. This amendment
was proposed by W. J. Milburn, rep-
resentative of Johnston county, and
received the hearty support of John
P. Crawford, representative of Con-
tosc.

The text of the resolution is as fol-
lows:

"The legislature shall have power
to levy taxes in aid of the common
schools of the state, and to provide
for the apportionment and distribu-
tion thereof, to establish or to pro-
vide for establishing within the sev-
eral counties local taxing districts
for common school purposes, and to
provide for the levy and collection
of taxes for the support of the com-
mon schools within such taxing dis-
tricts. When ever the amount realiz-
ed from a levy for common school
purposes, of five mills on the dollar
upon property taxed ad valorem in
any such taxing district, in addition
to the per capita distribution of the
income from the permanent school
fund and the income for the support
of the common schools from all other
sources, shall not be sufficient to
maintain the common schools within
such taxing district five months in
any year, the deficiency shall be ap-
portioned and paid out of the state
levy for common school purposes for
such year."

1,000 ATTEND ATOKA GOOD ROADS MEETING

Atoka, Ok., June 10.—The State
Highway Convention of Southeastern
Oklahoma met at Atoka today and
1,000 delegates were in attendance.
It was a great and enthusiastic meet-
ing, the slogan being "Better Roads
from Kansas to Texas."

All the counties in Southeastern
Oklahoma were represented and a
large delegation from Denison, Tex.,
was much in evidence. The delegates
were entertained on the lawn of W.
M. Bassett by the Ladies' Pioneer
Club, which had prepared lunches
and cold drinks for all under the
auspices of the Atoka Commercial
Club.

The meeting opened with an ad-
dress of welcome by L. L. Cook, may-
or of Atoka, on behalf of the city,
and by Judge W. S. Farmer on be-
half of the Commercial Club, with
responses by the following:

Mr. Breman of Denison, Perry Free-
man of McAlester, A. N. Leecraft of
Colbert, J. W. Carter of Coalgate,
Sam Swinney of Durant, S. A. Max-
well of Lehigh, Hon. Sidney Suggs,
state highway commissioner of Okla-
homa; Col. Vaught, president and en-
gineer of the state highway commis-
sion, and Mr. Hudson, secretary of
the State Good Roads Association. The
organization was perfected by the
election of the following officers for
the Oklahoma Southeastern Good
Roads Association.

Dr. J. W. McClellon of Atoka, pres-
ident; W. P. Freeman of McAlester,
vice president; S. A. Maxwell of Col-
bert, vice president; A. S. Burrows
of Denison, vice president; T. F. Men-
ninger of Atoka secretary; Boone
Williams of Lehigh, treasurer.

The delegations expressed their
commendation of the entertainment
in the highest terms.

Among the convention visitors is
Rev. E. L. Kirtley of Marlow, who
was at one time pastor of the First
Christian church of Ada. He was one
of the first men the present editor
of the News became acquainted with
on his arrival at Ada, and in common
with all other citizens of Ada he has
always held Mr. Kirtley in the high-
est esteem, and is pleased to see him
in Ada once more.

An Entertaining Snipe Hunt.
Two or three nights ago a wicked plot was entered into against Prof. E. C. Wilson, one of the new members of the normal faculty. The conspirators were Prof. W. D. Little, C. S. Wood, and Misses Beatrice Wood, Carra Wilson and Mamie Mims. They evidently thought he needed to be thoroughly initiated into western life and inveigled him into going on a snipe hunt, he, of course, to hold the sack. The victim played green to perfection and accompanied them towards the reservoir but being wiser than his friends thought, presently gave them the slip and returned home leaving the perpetrators of the joke to hold the sack themselves.

SAGE TEA WILL DARKEN THE HAIR

Restores Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

Don't neglect your hair. Get a bottle of Wyeth's Sage and Sulphur today, and notice the difference after a few days use.

This preparation is offered to the public at fifty cents a bottle. Special Agents, Gwin & Mays Drug Co.

You can greatly increase the value of your farm—you can cut in half the cost of hauling crops to market and haul twice as much—you can reduce the wear and tear on teams, harness and wagon and save your own time—you can make school life happier—you can improve every condition of rural life by just one step! . . . get good roads!

THE NEW CHAMPION WASHING MACHINE

As a rule we pay very little attention to any kind of a patent, especially when promoted by strangers. When we saw the new Champion Washing Machine in operation our attention was attracted to it by reason of its cleanliness and quick work. It is the universal opinion of those who have seen the machine, that it is the best yet invented. We are glad to know that the machine is meeting with success for the reason that the people, Charlie Chaucer, is an Ada boy and his invention is worthy and will prove a great saving of time and hard work. We are advised that the machine will be sold through the People's Furniture Co. of this city. Fourteen of these machines were sold in Konawa in one day. The machine is on exhibition at the Peoples Furniture Store.

Somewhat Incomplete.
Besides prophesying "warres, revolutions and the death of kynes," an almanac of the fifteenth century told you the proper day to take medicine. Monday was the day for ailments of the legs, Tuesday for affections of the head. But what the sufferer was to do who had a pain on the wrong day it does not state.

High Price for Rare Etching.
Collectors of etchings and engravings must occasionally pay high prices for their treasures. A Rembrandt print, "Jan Sylvius," signed by the artist and dated 1646, brought at auction recently \$1,625.

Perhaps socialism will redeem the nation, but how the deuce the party will accomplish much under the present leadership of ex-preachers, who were too sorry to be permitted to continue preaching, beats us. Looks like the Socialist party is becoming a refuge for preachers of this class when they are kicked out of the church, and the singular part of it is that most of them soon become avowed infidels and foes of all churches.

S.S.S. PURELY VEGETABLE

The absolute vegetable purity of S. S. S. has always been one of the strongest points in its favor, and is one of the principal reasons why it is the most widely known and universally used of all blood medicines. A great many of the so-called blood purifiers are really nothing more than strong mineral mixtures which act so unpleasantly and disastrously on the delicate membranes and tissues of the stomach and bowels, that even if such treatment purified the blood, the condition in which the digestive system is left would often be more damaging to the health than the original trouble. Not so with S. S. S.—it is the greatest of all blood purifiers, and at the same time is an absolutely safe and harmless remedy. It is made entirely of the healing and cleansing extracts and juices of roots, herbs and barks, each of which is in daily use in some form by physicians in their practice. Years of work and research have proven S. S. S. to contain everything necessary to purify the blood and at the same time supply the system with the purest and best tonic effects. S. S. S. cures Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Contagious Blood Poison and all other blood troubles, and it leaves the system in perfect condition when it has purified the blood. Book containing much valuable information on the blood and any medical advice desired sent free to all who write.

This heavy enrollment demonstrates two things, that the Ada normal is rapidly gaining in standing among teachers who desire to get the best offered, and that the teachers of Oklahoma are a wide awake lot, who are working to improve themselves in every possible manner. With well trained teachers the school system of Oklahoma will within a very few years, take front rank among those of other states.

"The Coming of Columbus" presented at the Majestic last evening, was certainly the most wonderful historical picture ever shown. WEST MAIN

Quality Stands the Test.

Rarely has the picture of quality,
representing higher ideals been sub-
jected to a more severe test than was
Dante's Inferno in the city of Pro-
vidence during the week ending Sep-
tember 2. On the opening day the
skies began to weep and continued
for practically the entire week to
pour. One of the local papers under
date of August 31 printed the fol-
lowing:

The manager of the Providence Op-
era House, the oldest show house in
town, where the production was put
on, had no faith in the possibility of
success. It was said, that the Inferno
was too "high" for Providence, that
it was a manufacturing town and de-
manded cowboys and melodrama. Ev-
erybody was agreed that no one would
pay 50 cents to see pictures. To point
out the superior quality of the pic-
ture, the added feature, such as lec-
ture and music, was of no avail, the
enterprise was condemned in advance
as a hopeless failure.

Strangely enough, the public had
the audacity to reverse all the Cas-
sandra predictions. From the very
first it showed that it liked the films
and the dignified way they were pre-
sented. Business steadily increased
and the total receipts for a house of
about 1,400 capacity considerably ex-
ceeded two thousand dollars. W. Ste-
phen Bush had been engaged by the
lessees of the film, Messrs. Feighery
and Place, to take entire charge of
the presentation and to deliver the
lecture. The effects used were all
subdued and had been most care-
fully rehearsed by Mr. Thomas G. Jaffy,
who is an advanced student in the
psychology of effects. No attempt
was made to turn this wonderful ar-
tistic production into a cheap mas-
querade or a menagerie.

popular place for everybody who wants cool, refreshing drinks and ice cream. The Ada home of the famous Lynn's Family Remedies and Eastman Kodaks and supplies.

NUMBER 22.—"All work and no play makes Jack a dull boy;" and this is true of the growth-ups as well. It is a well-known fact that every one should have some recreation each day; and there is nothing more exhilarating than an hour spent at the city's leading moving picture and vaudeville theatre. Nothing but the best of licensed films and the highest class of vaudeville is presented here; and the many whirling fans mean plenty of cool, fresh air. Watch the Evening News every day for announcements; and to win the prize you are to give its name and proprietor.

NUMBER 23.—What exclusive shoe store in Ada has changed its proprietor and name within the last half year? For several years this has been recognized as the one store that could fit all feet properly, and under its present efficient management it is becoming more popular than ever. It is the Ada home for the celebrated Stacy Adams Shoes for men and the La France shoes for ladies. Every pair of which are guaranteed. Correctly fitted shoes mean as much to your appearance as correct fitting clothes, and a great deal more for your comfort. If you want the best combination of style and comfort at a reasonable price, this is the place to bring your feet. Give firm name and location.

NUMBER 24.—Here we have the popular insurance man of Ada. No matter what kind of insurance you may want, he can furnish it for you in the best companies. Representing as he does the Oklahoma National Life, he can write you a policy that pays twice the face of the policy in case of accidental death, that insures the beneficiary in case of accidental death and that pays the face of the policy in case of permanent disability. You may be the next to suffer fire or tornado loss, and the companies which he represents pay all claims promptly. He is located in comfortable office rooms on a ground floor on West Main street, and is a good fellow for everybody to get acquainted with. Give his name and location.

NUMBER 25.—For a number of years this Main street store has been the best place in Ada to secure everything in the line of furniture, hardware and housefurnishings. It is the Ada home of Malleable stoves and ranges, Sealy mattresses, Globe-Wernicke book-cases, Reo-Noc lawn mowers, New Home sewing machines, tents, awnings, hammocks and lawn swings and settees. Levin this store without buying, after pricing the goods is almost impossible. This is the store where they cater especially to newly weds, and supply everything but the marriage license. Give the proprietor's name.

NUMBER 26.—There is a progressive drug store on East Main street, that is named after a city of very progressive tendencies, which gives special and prompt attention to filling of prescriptions and which is run on a scientific business basis. It is exclusively a drug store and nothing more, and here you will always find a full line of the best drugs and druggists sundries. The pharmacist at the head of this store has had twenty-five years experience in the drug business, and is widely known for being careful and competent. Give his name as well as that of the Co.

NUMBER 27.—Six or eight months ago the bargain buyers of Ada were gratified at the opening of a large Dry Goods and Clothing store on Main street. Father and sons are the general proprietors here, and although strangers in Ada, they have won a place in the affections of the people here by their upright methods of dealing, their honest values and high grade goods. Try them once and you will be a steady customer here. Give firm name and the brand of shoes for which they have the exclusive sale.

NUMBER 28.—Ada has among its many business enterprises a state bank that is surpassed by none in the entire Southwest, for reliability, accuracy and accommodation of its patrons. It has a capital stock of \$30,000.00 and its deposits aggregate \$160,000.00. The depositors of this bank are protected by the State Guaranty Fund, and it is therefore the bank that the cautious depositor is in search of. It is the newest bank in Ada and is fast becoming one of the most popular. Their slogan is "Watch Us Grow." The stockholders are all home people and are largely interested in the development of this section. Can you give its name?

NUMBER 29.—This is a prominent lumber company that has been doing business in this city for a decade. They handle lumber in all dimensions and of the very best quality. Don't get the idea that "lumber is just lumber, and that is all there is to it." Quality attaches to lumber the same as it does to dry goods and groceries. This is an important consideration to the man who is going to build a home. Lime, brick, cement and builders supplies are also kept in stock. Can you give the name of this large North Side Lumber Co. and its local manager?

NUMBER 30.—There is a department store on Main street, named for the largest state in the Union, where they are at present holding a mammoth sale of their entire stock of dry goods, shoes, clothing and notions. Prices are cut to cost and in some instances goods are being sold at thirty cents on the dollar. The sale now on is bonified in every particular, and if you want rare bargains, now is the time and this is the place to get them. Give the name of this store and firm name.

NUMBER 31.—What bakery in Ada uses only the latest and most sanitary methods in the preparation of all bread, cakes and fancy pastry? It is the scientific bakery, where all mixing is done by machinery and where cleanliness predominates. "Mothers Bread" is best, and they will deliver it to your home cheaper than you can afford to bake this hot weather.

NUMBER 32.—Where is the sign of the three Ps? Locate this establishment and you will have found the best place in Ada to have your clothes cleaned, pressed and repaired. The jovial proprietor has been in business three years, and moved to his present location about a year ago. He also takes orders for tailor made suits and trousers, and guarantees a perfect fit. Give the name and location of this shop.

NUMBER 33.—No home is complete or thoroughly happy without music. And the well known business man depicted in this paragraph has probably produced more happiness than any other man in the city, through the high grade musical instruments and sheet music he has placed in the homes of the city. Not only is he a dispenser of music, but he is also the man who officiates for all alike in times of death. Here you will find the largest and most complete line of wall paper in the city, and picture framing is a studied art with him. He is without question one of the best known men in the city, and is a friend of everybody. Give his name and the brand of paint for which he has the exclusive sale.

NUMBER 34.—You can get your prescription filled or can get anything you may want in the line of drugs, toilet articles or refreshments at the popular drug store near the postoffice. This firm has occupied their present comfortable quarters only since the first of the year, and is undoubtedly now one of the most popular in the city on account of their courteous treatment of customers, high grade goods and their splendid location. Their fountain is one of the finest in the city, and the drinks which sparkle and ooze from it are the most refreshing possible. Give its name and phone number.

NUMBER 35.—Have you a good title to your home? If not absolutely sure, you should have an abstract made by Ada's leading Bonded Abstract Co. The most complete set of records of Pontotoc County in existence are in their office. The company is located in commodious office rooms in the rear of a large financial institution, and is named for one of the very best counties in Oklahoma. They also make loans on farms and city property, and their service is prompt and accurate. Give the name of the company and that of its manager.

NUMBER 36.—Have you ever tried LILY flour? If you don't use this excellent brand, it is a certainty that you are not doing justice to your cooking ability. There is a wide awake grocery on Twelfth street that handles this popular flour and a complete line of the best grade groceries as well. It is the grocery that will appreciate your trade and will make all deliveries promptly. No need to come down town to do your marketing when you trade at this store for a phone call will do just as well. It is the store whose present proprietor has conducted it only a few months. Give its name and telephone number.

NUMBER 37.—Since the early founding of Ada there has been a splendid hotel on Broadway, where a nice clean bed or a splendid meal could be had at moderate rates. The proprietor carefully looks after the comforts of his guests, and all are made to feel welcome and at home. He has lived here for many years, and is well known throughout this section. If you enjoy home cooking properly prepared this is the hotel you should look up. Give its name.

NUMBER 38.—The store depicted in this paragraph has the past eight years been a continual source of surprise to everybody in Ada. The people have been surprised that goods could be sold for such prices as have always been offered here, and the other merchants have been surprised that a store could do business on so small a margin. This store is head-

quarters for Kip Schaub clothes and many other high grade lines. It is the store that can clothe the whole family - and on less money than would be possible any where else. And is known to everybody as "The Store That Put the Price Down." Give its name and ask over the phone what patterns they sell.

NUMBER 39.—What well known bank in Ada has recently elected new officers and moved to a prominent corner location? All the depositors of this bank are protected by the State Guaranty Fund, so you take no chances by depositing your money in this bank. The new president is one of the old time bankers of the city, and under his management this bank is rapidly becoming popular with people who want absolute security and appreciate banking courtesies. Give the name of the new president as well as that of the bank.

NUMBER 40.—There are just two classes of grocers. One deals in the cheap brands of goods, and wants to get rich on a few sales. The other builds for the future, furnishes the best brands and leaves the question of profits to the volume of sales. This strictly cash grocery belongs distinctly to the latter class. The proprietors have been selling groceries and feed in this city for four years, and have built up a fine trade. In advertising they use their initials instead of their full name. Their telephone number consists of two figures which when added together make seven. Give it and the firm name.

NUMBER 41.—This paragraph represents one of the oldest and best meat markets in Ada. It is the market with the large refrigerator, where all meats are kept fresh and sweet. This firm select none but the best with which to supply their customers. It is the market recently bought out by father and son and is named for a splendid city. Prompt delivery is a feature of this market. Give its name, style of firm and telephone number.

NUMBER 42.—If you appreciate an enjoyable evening in congenial company you are sure to be found regularly at the popular cigar store and billiard parlor in the city's leading hotel. The genial proprietor here is one of the boys and the tables here are the best to be found anywhere. All the leading magazines and dailies are on sale here and the best of domestic and imported cigars and tobacco. Give the proprietor's name.

NUMBER 43.—Two months ago the bargain buyers of Ada were gratified at the opening of a new store on Twelfth street, where an almost endless variety of goods are sold at heretofore unheard of prices. This is a good place to lunch all those little wants and get them at prices that will leave more money in your purse than if you went the rounds. It is the wide awake store that has what you want, when you want it, and at a price you can afford to pay. The best place in town to buy your fruit jars. Give its name and the names of its proprietors.
